

Estopa at Hard Rock Cafe in Hollywood, FL

The Spanish musical duo, Estopa, celebrates 25 years in the industry by performing their best hits in an exclusive show at Hard Rock Cafe in Hollywood, Florida.

The duo formed by brothers David and José Manuel Muñoz will celebrate a quarter of a century of making Catalan rumba in 2024. During these past 25 years, Estopa has created recognizable hits such as *La Raja de tu Falda*, *Vino Tinto*, *Tragicomedia*, *Pastillas de Freno*, and *Como Camarón*.

The international tour, that will be followed by a national tour in Spain, will serve as a chance for [Estopa](#) to perform songs from their latest album, *Estopía*, that was released on March 2024, but also to perform some of their most cherished classics, as a tribute to their 25 years on stage.

Few rock en español bands sound so authentically Spanish as Estopa, fronted by brothers José and David Muñoz Calvo, who have been combining rumba flamenca's driving pace with hooky rock guitars and drums since 1999. Set in bars and other corners of the urban world, their poetic and often very funny songs depict richly drawn working-class Spaniards, explore romance in all its messiness and consider the mixed blessings of everyday vices. Casually insolent and utterly charming, Estopa's "ultrarumba" is ready to rumble.
