

Sundance Film Festival 2023

Three Spanish productions and co-productions participate in this year's edition of the "Sundance Film Festival," the largest independent film festival in the United States.

The Sundance Film Festival's annual program includes dramatic and documentary features, short films, and episodic content. It also hosts daily filmmaker conversations, panel discussions, and other events. Since 1985, hundreds of films launched at the Festival have gone on to gain critical acclaim and reach new audiences worldwide. The *2023 Sundance Film Festival* will take place January 19–29, in person and online.
